SUPPLY LIST – Landscape Painting Workshop 3/16/2024

Materials are not included in the workshop fee. Below is a list of recommended materials. Please bring any other materials you prefer. I will be working in Oils, but if your medium of preference is acrylic, pastels or watercolors - you would still be able to apply many of the presented techniques such as composition and color theory. Please note that the list is only a recommendation. Do not feel you need to purchase everything on the list.
